Additional Resources for Student Success.....	Page 4

As parents, you play an integral role in shaping the academic and social development of your child. This toolkit provides a wealth of resources to help your child thrive while learning at home. These resources promote success in school, work, and life, and they provide user-friendly activities, lessons, and guidance documents you can use to support your child's learning at home.

RESOURCES PROVIDED BY THE US DEPARTMENT OF EDUCATION

Parent Power: Build the Bridge to Success. This booklet is available in English and Spanish and provides advice to parents on how they can help their children attain success in preschool, elementary school, middle school, and high school. A free copy can be downloaded at

<https://www2.ed.gov/parents/academic/help/parentpower/booklet.pdf>.

My Future My Way: First Step Toward College. This workbook provides information for middle and junior high school students about how to prepare for college and how to pay for education beyond high school. A free copy can be downloaded at

<https://studentaid.gov/sites/default/files/my-future-my-way.pdf>.

Countdown to School Success. This month-by-month guide is filled with advice, tools, and online resources you may need to help your children have a school year that is packed with fun and learning. Free copies are available online:

<https://www.ed.gov/parents/countdown-success>.

Back to School Checklist. Resources for teachers, parents, and students that can be used for success. Free copies are available online: <https://www.ed.gov/backtoschool>.

Stop Bullying.gov: <http://www.stopbullying.gov> This website helps to identify, understand, and discuss bullying.

Environmental Education: Educating youth to protect the environment.

<http://www.epa.gov/education/>

Find Youth Info.gov: <https://youth.gov/> Great content on education, COVID-19 for kids, and afterschool programs.

Federal Student Aid (FSA): <https://studentaid.gov/resources/prepare-for-college/parents> FSA gives parents the information they need to save for college, learn about financial aid, and help their child complete the Free Application for Federal Student Aid (FAFSA). FSA also provides in depth resources on [college and financial aid](#) in both English and Spanish.

Federal Resources for Educational Excellence (FREE):

<https://www2.ed.gov/free/index.html> FREE provides digital teaching and learning resources created and maintained by the federal government and public and private organizations.

RESOURCES PROVIDED BY THE FLORIDA DEPARTMENT OF EDUCATION
